

# PHILOMONT COMMUNITY CENTER

## E-REC NEWSLETTER

It's finally March and you know what that means... time for a visit from the pesky little leprechaun. Need help getting into the Saint Patty's spirit?

Check-out some of our great programs this month! We are delighted to bring you this great informational tool to help you plan your activities and know more about the center without having to stress over the activity guide and flyers! Please be sure to tell your neighbors so that they can give us their e-mail address and we can reach them electronically as well!

Have a Happy Saint Patrick's Day!  
Ms. Tiffany & Ms. Nancy

April 18-22nd

### PRESCHOOL OPENINGS!!!!

The Philomont Community Center Preschool is the ideal place for getting your child off to a good start! Our experienced and enthusiastic teachers all have excellent credentials and love kids! The curriculum is the Creative Curriculum which utilizes different "centers" to encourage reading, art and music. When children move on to Kindergarten, they are ready both socially and mentally for the challenge. During their years here, children are nurtured and learn a real sense of community. Many children attend preschool here for part of the day and then go on to various afterschool activities such as Lunch Bunch, Amazing Athletes and more! This is ideal as they know everyone in the building and socialize with several different peer groups. They are safe and happy in a clean, loving environment.

Who could ask for more?

Register for classes anytime, day or night, via [Webtrac](#).

Summer Camp registration begins March 22nd.
